Comments: Just want to let you know we really appreciated the service received by Integrity Air. Saw your referrals on your website and called them to do a small hail damage repair, along with maintenance & to replace thermostat in May. Had a problem when turning the Heater on for first time in the season (Nov.) A technician (Miguel) came out, fixed it, and made sure the heater and A/C were both working well before leaving & was done without a charge. They stood behind their original work, and I'd highly recommend them. Thanks,
