**Subject:** More Great Partners

Rosie & Romey,

Just thought you should know.

I just replaced my roof & used [George & Sons](#). David, Mark & Robert went above & beyond. They were everything you said they were and more. Of course one thing leads to at least 5 more things that need to be done. The roof looks so wonderful now the house paint really looks worse than I already thought.

My sister had some air conditioning problems & called [Integrity](#). They were great also. I will be switching over to them. I had been using [REDACTED] & the roofers found some shoddy workmanship on my air conditioner. Funny I just had them out a month ago for service & thermostat problems. They told me everything was okay. The roofers found the problem AND fixed it for me. Hope [REDACTED] is not on Partner list. I used them years ago for installing the a/c before I knew about you & Romey.

I must refer you at least once a day to my customers & or friends. (I work for [A to Z Equipment](#)-this is my home e-mail) I have told you before but will reiterate how nice it is that you & your son do such a great service for all us. Very admirable & much appreciated!! You are the best.

Sincerely,

Stacie Turl
