

Thank you Holly!

You are ABSOLUTELY AWESOME! The time you take to explain 'septic' stuff to me is VERY MUCH appreciated!!!

I will be recommending A-American every chance I get!!! (And I may call you if I have septic questions in the future!!)

You have been a wonderful organization to do business with. I do appreciate it.

Hi Holly,

Thank you very much for sending all of this information. I wanted to let you know what great service our technician provided last week. He was very professional, prompt, etc. He did an excellent job explaining the system to me. I hope he's still with the company down the road when we need maintenance, etc.

Thanks again for all you have done -

Sincerely,

SS
