Comments: A huge shout out to Thunderbird Plumbing! Today was their third trip to my home in the last few months. Started with reinstalling a sink after new countertops went in; next was a toilet tank issue we tried to fix; and today it was a plugged kitchen sink & disposal. They ALWAYS answer their phone; they are always helpful & courteous. They show up when they say they will; fix the problem; and don't charge a fortune. Joseph & crew are terrific! Wouldn't call anyone else.
