Dave Reming of Dave's Adobe Painting just completed the painting of our home. I had chosen Dave because of the listing on your web site. I was not disappointed. Dave and his crew did a fantastic job. Our house looks new! They completed the job on time, were courteous and neat, and paid attention to the smallest detail. Overall, the quality of the job is superlative. I would not hesitate to use Dave's Adobe Painting again or to recommend it to any of your web site visitors or your radio listeners.
