Comments: Dear Rosie:

About a month ago we were looking for an exterior house painter and since we didn't have a clue as to who was reputable we decided to check out Rosie on the House Preferred. Low and behold we found Dave's Adobe Painting. We contracted with Dave and requested that, if possible, the house be painted prior to our vacation. Dave and Daniel just finished and it is absolutely beautiful. Neighbors have come over to admire the new colors and to get a business card from Dave. He is an amazing person, very friendly, and willing to take the time to answer any questions. He arrived at 6:00 am and was off the job by 2:00 pm. It took 4 days - of which 3.5 was the prep work. We will highly recommend Dave to anyone.

Sincerely,
Jim & Florence
