**Comments:** Rosie, we enjoy your column and turned to your website when we needed to paint the exterior of our home.

We called Dave Reming, with Dave's Adobe Painting Services, Inc., and we are so glad we did. Dave and his professional crew did a fantastic job! They did everything Dave promised they would do and more. Our house looks better now than the day we moved in when it was new. We are very pleased with their services and will recommend Dave's Adobe Painting Services, Inc. to everyone we talk to who needs a painter. Thank you for the wonderful recommendation!
