Hi Rosie!

I had to tell you that I now have a newly painted house (exterior) by Dave's Adobe Painting and what a great experience it has been. Dave, Aaron, and Daniel were very thorough, polite, respectful of my wishes, worked with no loud music (no music at all, actually), arrived at 6am each day when they said they would, worked their butts off, and even tolerated my indecision on the color! I plan to paint the interior in a few weeks and will have them back to support me on that project.

By establishing your referral list, you have set high standards for remodeling and home improvements. I thank you for that because I am comfortable contracting with those in your referral network; and have yet to be disappointed by choosing someone you recommend.
