Dear Don and Family

"Thank you." for re-doing  
the upholstered seat on my chair.  
The work is consistent with the  
quality of craftsmanship with  
which you repaired and re-upholstered  
my cane desk chair, that I was  
very impressed with. We have  
recommended you to others and  
will ourselves look forward to  
a continued relationship. It is  
nice to find people who are  
good crafts people in our throw-  
away society.

Warm Regards.

Susan Dunn
