**Comments:** Rosie, I want to thank you for saving me thousands of dollars. Three years ago I had problems with my a/c system. A local contractor said whole system needed to be replaced at a cost of \$24,000. As a listener to your show I thought " wonder if Rosie knows a good guy for a second opinion". I looked at your recommended list and contacted Chuck Knight. To cut a long story short Chuck was able to fix the problem and has been my service technician ever since. Three years after I was told that I'd have to spend over \$20k an annual service from Chuck has kept my a/c units running as well as the day they were installed. Not only that but Chuck explains exactly what he has done in a way that even an idiot like me can understand. His professionalism had led me to use other Rosie recommended contractors like George & Son roofing with similar excellent results. So thank you Rosie and thank you Chuck Knight!
