Comments: Arrived to our patio home from Vancouver and discovered that the air conditioner was not working. We phoned the warranty company only to discover that they do not work on the weekend!! As the temperature inside was about 65 degrees warmer than we had just left we were anxious to get a little cool air circulating! Fortunately I remembered your website. One phone call to Carrisa at Knight Air Conditioning, at 4 pm on Saturday, and help was on the way! Her dad, Chuck, drove all the way from Carefree down to Scottsdale and had our unit fixed in no time. Both father and daughter were delightful! Without your website we would likely have been grumpy and hot for several more days! Many thanks!
