Rosie, I can't thank you and your team enough for the referral to Knight Air Conditioning. Chuck came out yesterday and worked on my 9 year old air conditioning unit and it's again running like brand new. After two weeks without air conditioning in near record heat, my wife Julie and I are once again thoroughly enjoying our cool indoor climate!

And I'm not even to the best part yet! What's all the more amazing is that Chuck accomplished all this for 1/10 the cost of what I thought I was going to have to pay, because I was working off the premise that it was time for a whole new air conditioner. Praise God, that was not the case!

Chuck is great to work with because he listens and observes carefully, is exceptionally knowledgeable and experienced with HVAC, and recommended a high value, low cost, solution, and one that is working beautifully. Knight Air Conditioning just became my provider of choice for a long, long time! Thanks, Chuck, for your awesome servant-mindedness, and thanks, Rosie, for recommending Knight Air Conditioning.
