

I want to tell you how nice it was to meet you and your crew today. I learned quite a bit and was impressed with the professionalism. Poor Seth had to live thru Aunt Shirley who is a much greater handful than Mary Kay. I would like to perhaps have a discussion on how successful I think your business can be.

I look forward to hearing your suggestions and hopefully start saving money and energy. I also hope you are successful with the Rosie on the house show. It is a very small world.

Thanks again,

Connie
