

Mike,

I'm curious if you tried the efferdent tablets in your toilet bowls!

I need to let you know that I have never been more pleased with a home maintenance project as I have been with REEIs' work.

I learned a lot from your initial audit, and the resulting remediation was a class operation from start to finish.

I can really tell a big difference in comfort and frequency of the central air running.

It was worth every dollar. I just wish we had done it sooner, but then you are a newer company.

I wish you the best.

Sincerely,

Sarah
