

Dear Think Green,

Today Jeff Christensen and crew finished the work at our home on Greenway Lane, and we could not be more pleased. I had no idea the yard would be so transformed. What I also really appreciated was that Jeff kept me in constant contact with any suggestions and options, as well as offered a wonderful artistic eye to the process-in fact mostly designing it himself. I also appreciate that the owners came over for two of the days. Everyone was timely, honest and friendly. I would recommend Think Green to anyone. It was some of the best customer service I have ever had.

Sincerely,

Craig
